

Bobbing Church

Welcome to our December newsletter

What an amazing November we have had!

If there is one thing to be proud of at Bobbing (and there are many!), it's how we all pull together. The fair was a wonderful community event with fantastic stalls, warm food, and a lovely visit from Father Christmas. A huge thank you to everyone who helped, donated, and made the day so special.

Jan and the team have been working with local primary schools on the Christmas Experience, and both children and staff have shared how much they enjoyed the activities.

We also sent out all our Christmas cards this month, and there are some brilliant community events coming up at the church to look forward to.

As we enter this season of Advent, we're invited to pause, make space for hope, and look for signs of light in our lives and community.

Please remember to reach out if you need any help or support—your church community is here for you. Have a wonderful Christmas everybody.
