

Church Waste and Recycling Policy

Purpose:

To reduce the amount of church-related waste sent to landfill by prioritising reuse, recycling, and responsible disposal.

Our Commitments:

- Provide clearly labelled recycling bins in all church areas.
- Reuse materials (e.g. decorations, folders, containers) where possible.
- Compost food waste where feasible (e.g. kitchen peelings, tea bags).
- Conduct regular audits of waste to identify areas for improvement.
- Encourage congregation to bring reusable items (e.g. cups, bags).
- Donate or repurpose unwanted books, furniture, or tech.
- Work to use refillable, homemade and buy bulk products
